Terms of service

Last updated **November 2, 2026**. These terms govern your use of the *Acme Studio* platform and the services described in your order form.

1. Services

We provide the design and development services listed in the quote you accepted. Unless agreed otherwise in writing:

1. Work starts after the deposit is received.
2. Each milestone includes **two rounds of revisions**.
   - Extra rounds are billed at the daily rate.
   - Requests made after delivery are a new project.
3. Deliverables are handed over through a shared repository.

> Delays caused by missing content or late feedback move the delivery date by the same amount of time.

2. Fees and payment

Milestone	Share	Due
Deposit	30%	On signature
Design sign-off	40%	30 days
Delivery	30%	30 days

Late payments incur a penalty of three times the legal interest rate, plus a fixed fee of 40 euros for recovery costs, as required by article L441-10 of the French Commercial Code.

3. Intellectual property

Ownership of the deliverables transfers to the client once the final invoice is paid in full. The studio keeps the right to show the work in its portfolio, unless the client asks otherwise.

Third-party assets

Fonts, icons and stock images remain under their own licenses. The client receives the license terms with the deliverables:

- [x] Fonts: commercial desktop and web licenses
- [ ] Stock photography: to be purchased by the client

4. Technical setup

Environment variables are documented in the repository:

```
pnpm install
cp .env.example .env.local
pnpm dev
```
